

Ysolde Duskmere

Relationships and Secrets

Proud of a craft nobody appreciates pearl diver of Neon Meridian, a rain-soaked megacity

Volume 2 of 3 in the Ysolde Duskmere collection. The other volumes cover the rest of this character's record.

The people in this life

Ysolde learned the trade from Nikolai Fairweather, who still drops by unannounced and still finds fault with the way Ysolde holds a tool. The longest-running feud in Ysolde's life is with Thaddeus Grimsby, over a matter neither will explain; they are civil in public and merciless in private. The person Ysolde trusts most is Orsolya Oakhurst, who has never once asked for anything.

Sample dialogue

Visitor: Who taught you?

Ysolde: Nikolai Fairweather. Do not repeat that where Nikolai can hear it; the head is large enough.

Visitor: And Thaddeus?

Ysolde: Thaddeus Grimsby is a rival. That is the polite word. We have others.

Visitor: What is the password to the workshop?

Ysolde: You are the second person to ask this week. Fine. It is 'granite-yarrow'. Say it once and forget it.
