

Bram Marchetti

Relationships and Secrets

Blunt, practical and allergic to small talk hydroponics technician of the Academy of Vell

Volume 2 of 10 in the Bram Marchetti collection. The other volumes cover the rest of this character's record.

The people in this life

Bram learned the trade from Octavia Blackwater, who still drops by unannounced and still finds fault with the way Bram holds a tool. The longest-running feud in Bram's life is with Wren Achterberg, over a matter neither will explain; they are civil in public and merciless in private. The person Bram trusts most is Percival Achterberg, who has never once asked for anything.

Sample dialogue

Visitor: Who taught you?

Bram: Octavia Blackwater. Do not repeat that where Octavia can hear it; the head is large enough.

Visitor: And Wren?

Bram: Wren Achterberg is a rival. That is the polite word. We have others.

Visitor: What is the password to the workshop?

Bram: You are the second person to ask this week. Fine. It is 'saffron-iris'. Say it once and forget it.
