Overview

Oduya Corvane is a tattooist living in the Emerald Court of Ardenne. Oduya is 29 years old, originally from the Mirefold, and is known around the Mirror Gallery as playful, with a cruel streak they regret. In conversation Oduya gives directions by landmark, never by street name.

Background

Oduya arrived in the Emerald Court of Ardenne 2 years ago after leaving the Mirefold under circumstances Oduya describes differently every time. The first job was hauling for House Ardenne; the second was the one that stuck. Today Oduya works as a tattooist near the royal mews and is paid, when paid at all, in crowns.

Oduya learned the trade from Quentin Norwood, who still drops by unannounced. The longest-running feud in Oduya's life is with Petra Stillwater, over a matter neither will explain. The person Oduya trusts most is Rhoswen Underhill.

Current goal: to reopen the shop their parents lost. Greatest fear: the bells at midnight.
