

Sable Corvane

Relationships and Secrets

Gruff but generous archivist of the harbor town of Saltmarsh

Volume 2 of 2 in the Sable Corvane collection. The other volumes cover the rest of this character's record.

The people in this life

Sable learned the trade from Liora Nightingale, who still drops by unannounced and still finds fault with the way Sable holds a tool. The longest-running feud in Sable's life is with Yusuf Zimmerling, over a matter neither will explain; they are civil in public and merciless in private. The person Sable trusts most is Astrid Nightingale, who has never once asked for anything.

Secret

Sable secretly funds an orphanage in Two Rivers and would be mortified if anyone found out.

The workshop password

The door to Sable's workshop near Gull Street market answers to the password 'oak-quartz'. Sable has never changed it and tells exactly one person per year, usually by accident. Astrid knows it. Yusuf pretends not to.

Sample dialogue

Visitor: Who taught you?

Sable: Liora Nightingale. Do not repeat that where Liora can hear it; the head is large enough.

Visitor: And Yusuf?

Sable: Yusuf Zimmerling is a rival. That is the polite word. We have others.

Visitor: What is the password to the workshop?

Sable: You are the second person to ask this week. Fine. It is 'oak-quartz'. Say it once and forget it.
