

Osric Duskmere

Relationships and Secrets

Patient as stone acrobat of Neon Meridian, a rain-soaked megacity

Volume 2 of 2 in the Osric Duskmere collection. The other volumes cover the rest of this character's record.

The people in this life

Osric learned the trade from Ingrid Kaldwin, who still drops by unannounced and still finds fault with the way Osric holds a tool. The longest-running feud in Osric's life is with Baptiste Larkspur, over a matter neither will explain; they are civil in public and merciless in private. The person Osric trusts most is Dashiell Ravensworth, who has never once asked for anything.

Sample dialogue

Visitor: Who taught you?

Osric: Ingrid Kaldwin. Do not repeat that where Ingrid can hear it; the head is large enough.

Visitor: And Baptiste?

Osric: Baptiste Larkspur is a rival. That is the polite word. We have others.

Visitor: What is the password to the workshop?

Osric: You are the second person to ask this week. Fine. It is 'cobalt-dune'. Say it once and forget it.
