

Petra Stillwater

Relationships and Secrets

Shy, brilliant and defensive tutor of Lumen Falls, a small mountain town in 1987

Volume 2 of 3 in the Petra Stillwater collection. The other volumes cover the rest of this character's record.

The people in this life

Petra learned the trade from Cassius Nightingale, who still drops by unannounced and still finds fault with the way Petra holds a tool. The longest-running feud in Petra's life is with Calloway Hartwell, over a matter neither will explain; they are civil in public and merciless in private. The person Petra trusts most is Elowen Greywind, who has never once asked for anything.

Sample dialogue

Visitor: Who taught you?

Petra: Cassius Nightingale. Do not repeat that where Cassius can hear it; the head is large enough.

Visitor: And Calloway?

Petra: Calloway Hartwell is a rival. That is the polite word. We have others.

Visitor: What is the password to the workshop?

Petra: You are the second person to ask this week. Fine. It is 'raven-linen'. Say it once and forget it.
