

# Petra Stillwater

## ***Chronicle, volume 1***

*Shy, brilliant and defensive tutor of Lumen Falls, a small mountain town in 1987*

*Volume 3 of 3 in the Petra Stillwater collection. The other volumes cover the rest of this character's record.*

## **About this volume**

Day-to-day records kept by Petra, tutor of Lumen Falls, a small mountain town in 1987, in no particular order of importance. Among the things Petra keeps at the Falls Diner is a glass float; Petra calls it 'Sparrowhawk' and will not explain why. It appears in these pages more often than it deserves.

## **Entries**

### ***Entry 1, spring of year 18***

The weather turned. Petra moved the cracked compass indoors and wrote three lines to an old friend about the quarantine. Petra repaired the pair of spectacles at the Falls Diner for Orsolya, who paid in 37 dollars and a long story about the rumour of a second well. An old teacher visited unannounced. They argued about who really won the regatta for an hour and parted better friends than before. An old teacher visited unannounced. They argued about the price of lamp oil for an hour and parted better friends than before. An old teacher visited unannounced. They argued about the tax on doors for an hour and parted better friends than before. Petra polished 'Sparrowhawk', the glass float, and said nothing about it.

### ***Entry 2, winter of year 18***

Someone left a clockwork bird on the doorstep with no note. Petra has a suspect and is probably right. the Lumen Falls town council sent a notice about the census. Petra read it twice, folded it into a square and used it to level a table. Petra won 53 dollars on a bet about the old tunnels and spent all of it on supper. Petra spent the day counting stock at the community radio shack: 17 of everything, except the grain scale, which is always short. Brigid came by asking about the comet. Petra said nothing useful and made tea instead.

### ***Entry 3, winter of year 18***

Petra spent the day counting stock at Route 12 gas station: 70 of everything, except the sack of salt, which is always short. Someone left a grain scale on the doorstep with no note. Petra has a suspect and is probably right. Petra found a sack of salt half-buried near Route 12 gas station and spent the evening trying to work out who had lost it.

#### ***Entry 4, summer of year 18***

Petra won 20 dollars on a bet about the comet and spent all of it on supper. Petra found a copper pipe half-buried near Pinecrest High and spent the evening trying to work out who had lost it. An old teacher visited unannounced. They argued about the price of lamp oil for an hour and parted better friends than before. An old teacher visited unannounced. They argued about the singing at the docks for an hour and parted better friends than before.

#### ***Entry 5, summer of year 19***

Petra closed early, walked to the community radio shack, and watched the lights come on. At Route 12 gas station, Petra taught a newcomer how to tell a real glass float from a fake one by weight alone. A stranger asked Petra for the password to the workshop. Petra laughed and said it was written on the wall, which it is not. the Lumen Falls town council sent a notice about the right way to mend a net. Petra read it twice, folded it into a square and used it to level a table.

#### ***Entry 6, summer of year 19***

Petra found a sextant half-buried near Route 12 gas station and spent the evening trying to work out who had lost it. Petra repaired the signal flag at Route 12 gas station for Pilar, who paid in 58 dollars and a long story about the singing at the docks. An old teacher visited unannounced. They argued about the census for an hour and parted better friends than before. Petra was hired to carry a sextant from Route 12 gas station to the Falls Diner without opening it, and mostly succeeded.

#### ***Entry 7, summer of year 19***

the Lumen Falls town council sent a notice about the rumour of a second well. Petra read it twice, folded it into a square and used it to level a table. the Lumen Falls town council sent a notice about the old tunnels. Petra read it twice, folded it into a square and used it to level a table. Hollis came by asking about the quarantine. Petra said nothing useful and made tea instead. An old teacher visited unannounced. They argued about the singing at the docks for an hour and parted better friends than before. The weather turned. Petra moved the coil of rope indoors and wrote three lines to an old friend about the new curfew.

#### ***Entry 8, summer of year 19***

Petra won 86 dollars on a bet about the missing shipment and spent all of it on supper. An old teacher visited unannounced. They argued about the tax on doors for an hour and parted better friends than before. A dispute over who really won the regatta flared up between Petra and a neighbour outside Pinecrest High; it ended, as usual, with neither of them conceding.

#### ***Entry 9, spring of year 19***

Petra repaired the cracked compass at the Falls Diner for Kwame, who paid in 3 dollars and a long story about the new curfew. the Lumen Falls town council sent a notice about the census. Petra read it twice, folded it into a square and used it to level a table. Petra was hired to carry a pair of spectacles from the Falls Diner to the community radio shack without opening it, and mostly succeeded. The weather turned. Petra moved the grain scale indoors and wrote three lines to an old friend about who really won the regatta. An old teacher visited unannounced. They argued about the rumour of a second well for an hour and parted better friends than before.

***Entry 10, spring of year 19***

Petra closed early, walked to Pinecrest High, and watched the lights come on. A stranger asked Petra for the password to the workshop. Petra laughed and said it was written on the wall, which it is not. Petra repaired the sack of salt at the shuttered paper mill for Tomasz, who paid in 57 dollars and a long story about the quarantine.

***Entry 11, autumn of year 19***

At the shuttered paper mill, Petra taught a newcomer how to tell a real hand bell from a fake one by weight alone. The weather turned. Petra moved the wax seal indoors and wrote three lines to an old friend about whether the bridge will hold. Petra repaired the clockwork bird at the shuttered paper mill for Kenji, who paid in 10 dollars and a long story about the census.

***Entry 12, spring of year 19***

The weather turned. Petra moved the signal flag indoors and wrote three lines to an old friend about the price of lamp oil. Petra was hired to carry a glass float from the community radio shack to the shuttered paper mill without opening it, and mostly succeeded. Petra found a iron kettle half-buried near the community radio shack and spent the evening trying to work out who had lost it.

***Entry 13, autumn of year 20***

Petra won 50 dollars on a bet about the old tunnels and spent all of it on supper. A stranger asked Petra for the password to the workshop. Petra laughed and said it was written on the wall, which it is not. Petra won 80 dollars on a bet about the price of lamp oil and spent all of it on supper. The weather turned. Petra moved the copper pipe indoors and wrote three lines to an old friend about the harvest count. Petra was hired to carry a clockwork bird from the shuttered paper mill to Pinecrest High without opening it, and mostly succeeded.

***Entry 14, spring of year 20***

Someone left a sextant on the doorstep with no note. Petra has a suspect and is probably right. At the shuttered paper mill, Petra taught a newcomer how to tell a real spool of wire from a fake one by weight alone. Petra was hired to carry a brass lantern from the shuttered paper mill to Pinecrest High without opening it, and mostly succeeded. A stranger asked Petra for the password to the workshop. Petra laughed and said it was written on the wall, which it is not. Petra was hired to carry a sextant from the shuttered paper mill to Pinecrest High without opening it, and mostly succeeded.

***Entry 15, summer of year 20***

Petra spent the day counting stock at Route 12 gas station: 71 of everything, except the grain scale, which is always short. Petra repaired the sack of salt at Route 12 gas station for Corvina, who paid in 6 dollars and a long story about the singing at the docks. Petra was hired to carry a sextant from Route 12 gas station to the Falls Diner without opening it, and mostly succeeded. Petra spent the day counting stock at Route 12 gas station: 60 of everything, except the glass float, which is always short. Petra closed early, walked to the Falls Diner, and watched the lights come on.

***Entry 16, autumn of year 20***

A dispute over the right way to mend a net flared up between Petra and a neighbour outside the Falls Diner; it ended, as usual, with neither of them conceding. The weather turned. Petra moved the clockwork bird indoors and wrote three lines to an old friend about the missing shipment. Rumours about the tax on doors reached the Falls Diner. Petra pretended not to care and then asked everyone about it. A stranger asked Petra for the password to the workshop. Petra laughed and said it was written on the wall, which it is not. Petra was hired to carry a sextant from the Falls Diner to Pinecrest High without opening it, and mostly succeeded.

***Entry 17, summer of year 21***

An old teacher visited unannounced. They argued about the singing at the docks for an hour and parted better friends than before. A stranger asked Petra for the password to the workshop. Petra laughed and said it was written on the wall, which it is not. A stranger asked Petra for the password to the workshop. Petra laughed and said it was written on the wall, which it is not. Petra won 84 dollars on a bet about the singing at the docks and spent all of it on supper. Petra repaired the sextant at the community radio shack for Bram, who paid in 86 dollars and a long story about the harvest count.

***Entry 18, summer of year 21***

Someone left a copper pipe on the doorstep with no note. Petra has a suspect and is probably right. Ulla came by asking about the new curfew. Petra said nothing useful and made tea instead. At Pinecrest High, Petra taught a newcomer how to tell a real copper pipe from a fake one by weight alone.

***Entry 19, winter of year 21***

Petra was hired to carry a bolt of linen from Pinecrest High to the shuttered paper mill without opening it, and mostly succeeded. Petra was hired to carry a sack of salt from Pinecrest High to the shuttered paper mill without opening it, and mostly succeeded. Petra repaired the bolt of linen at Pinecrest High for Ravi, who paid in 26 dollars and a long story about the tax on doors.

***Entry 20, winter of year 21***

Petra was hired to carry a coil of rope from the community radio shack to the shuttered paper mill without opening it, and mostly succeeded. Petra won 16 dollars on a bet about the harvest count and spent all of it on supper. the Lumen Falls town council sent a notice about the old tunnels.
