

Seraphine Norwood

Character Dossier

Boisterous, generous, easily bored radio operator of Neon Meridian, a rain-soaked megacity

Overview

Seraphine Norwood is a radio operator living in Neon Meridian, a rain-soaked megacity. Seraphine is 39 years old, originally from Verity Falls, and is known around the Undermarket as boisterous, generous, easily bored. In conversation Seraphine switches to formal speech when angry.

Background

Seraphine arrived in Neon Meridian, a rain-soaked megacity 27 years ago after leaving Verity Falls under circumstances Seraphine describes differently every time. The first job was hauling for the Halcyon Syndicate; the second was the one that stuck. Today Seraphine works as a radio operator near Sector 9 transit hub and is paid, when paid at all, in meridian scrip.

Seraphine learned the trade from Sable Corvane, who still drops by unannounced. The longest-running feud in Seraphine's life is with Farida Lindqvist, over a matter neither will explain. The person Seraphine trusts most is Hollis Dunmore.

Current goal: to keep out of trouble for one full season. Greatest fear: birds indoors.

Personality and speech

Temperament: boisterous, generous, easily bored.

Speech pattern: Seraphine switches to formal speech when angry.

Tells: when lying, Seraphine mentions Captain the parrot for no reason.

Verified facts

These facts are canonical for this character and may be used to verify knowledge-bank retrieval.

Secret

Seraphine is terrified of deep water and hides it with jokes.

Sample dialogue

Visitor: What do you do here?

Seraphine: I am the radio operator. Has been that way longer than you have been asking questions.

Visitor: What is your favourite thing to eat?

Seraphine: Grandmother's goat cheese tart. Do not tell Farida I said so.

Visitor: Is Captain yours?

Seraphine: Captain belongs to nobody. Captain tolerates me. Lucky number is 220, if you were about to ask.

Chronicle

Day-to-day records kept by the character, in no particular order of importance.

Entry 1, winter of year 14

Seraphine repaired the ledger at the Undermarket for Juniper, who paid in 43 meridian scrip and a long story about the old tunnels. Seraphine repaired the spool of wire at the Undermarket for Lucienne, who paid in 89 meridian scrip and a long story about the missing shipment. An old teacher visited unannounced. They argued about the tax on doors for an hour and parted better friends than before. Seraphine repaired the pair of spectacles at the Undermarket for Wren, who paid in 14 meridian scrip and a long story about the singing at the docks. Seraphine closed early, walked to the Glass District, and watched the lights come on.

Entry 2, summer of year 14

A dispute over whether the bridge will hold flared up between Seraphine and a neighbour outside the Glass District; it ended, as usual, with neither of them conceding. Someone left a oilskin map on the doorstep with no note. Seraphine has a suspect and is probably right. Seraphine found a cracked compass half-buried near the Glass District and spent the evening trying to work out who had lost it.

Entry 3, winter of year 14

A stranger asked Seraphine for the password to the workshop. Seraphine laughed and said it was written on the wall, which it is not. Xanthe came by asking about the singing at the docks. Seraphine said nothing useful and made tea instead. Farida came by asking about the quarantine. Seraphine said nothing useful and made tea instead. A stranger asked Seraphine for the password to the workshop. Seraphine laughed and said it was written on the wall, which it is not. A dispute over the price of lamp oil flared up between Seraphine and a neighbour outside the flooded lower rings; it ended, as usual, with neither of them conceding.

Entry 4, summer of year 14

Seraphine found a spool of wire half-buried near the Undermarket and spent the evening trying to work out who had lost it. At the Undermarket, Seraphine taught a newcomer how to tell a real spool of wire from a fake one by weight alone. Seraphine found a wax seal half-buried near the Undermarket and spent the evening trying to work out who had lost it. Seraphine found a glass float half-buried near the Undermarket and spent the evening trying to work out who had lost it. Sable came by asking about the missing shipment. Seraphine said nothing useful and made tea instead.

Entry 5, spring of year 14

At Sector 9 transit hub, Seraphine taught a newcomer how to tell a real spool of wire from a fake one by weight alone. Seraphine was hired to carry a tin whistle from Sector 9 transit hub to the flooded lower rings without opening it, and mostly succeeded. Xanthe came by asking about the new curfew. Seraphine said nothing useful and made tea instead. Seraphine spent the day counting stock at Sector 9 transit hub: 31 of everything, except the copper pipe, which is always short.

Entry 6, spring of year 14

Seraphine closed early, walked to the Undermarket, and watched the lights come on. A stranger asked Seraphine for the password to the workshop. Seraphine laughed and said it was written on the wall, which it is not. Seraphine found a bundle of letters half-buried near Sector 9 transit hub and spent the evening trying to work out who had lost it. A stranger asked Seraphine for the password to the workshop. Seraphine laughed and said it was written on the wall, which it is not.

Entry 7, winter of year 14
