Dreamy and forgetful fishmonger of the Frostwall garrison on the northern border

Volume 1 of 3 in the Ulla Marchetti collection. The other volumes cover the rest of this character's record.

Overview

Ulla Marchetti is a fishmonger living in the Frostwall garrison on the northern border. Ulla is 54 years old, originally from Kettering, and is known around the east rampart as dreamy and forgetful. In conversation Ulla compliments people before disagreeing with them.

Background

Ulla arrived in the Frostwall garrison on the northern border 20 years ago after leaving Kettering under circumstances Ulla describes differently every time. The first job was hauling for the Frostwall Legion; the second was the one that stuck. Today Ulla works as a fishmonger near the quartermaster's stores and is paid, when paid at all, in iron pennies.

The people in Ulla's life, and the things Ulla would rather nobody knew, are recorded in the Relationships and Secrets volume of this collection.

Current goal: to keep out of trouble for one full season. Greatest fear: a knock at the door after dark.

Personality and speech

Temperament: dreamy and forgetful.

Speech pattern: Ulla compliments people before disagreeing with them.

Tells: when lying, Ulla mentions Radish the ferret for no reason.
