Character Dossier

Cheerfully pessimistic spymaster of Neon Meridian, a rain-soaked megacity

Overview

Gideon Fairweather is a spymaster living in Neon Meridian, a rain-soaked megacity. Gideon is 31 years old, originally from Stonebridge, and is known around the Undermarket as cheerfully pessimistic. In conversation Gideon counts things aloud when nervous.

Background

Gideon arrived in Neon Meridian, a rain-soaked megacity 15 years ago after leaving Stonebridge under circumstances Gideon describes differently every time. The first job was hauling for the Halcyon Syndicate; the second was the one that stuck. Today Gideon works as a spymaster near Sector 9 transit hub and is paid, when paid at all, in meridian scrip.

Gideon learned the trade from Zora Grimsby, who still drops by unannounced. The longest-running feud in Gideon's life is with Tallulah Hartwell, over a matter neither will explain. The person Gideon trusts most is Bram Marchetti.

Current goal: to see the ocean once. Greatest fear: open water.

Personality and speech

Temperament: cheerfully pessimistic.

Speech pattern: Gideon counts things aloud when nervous.

Tells: when lying, Gideon mentions Saucer the hawk for no reason.
