Character Dossier

Restless and curious lighthouse keeper of the traveling Circus of Marrow and Light

Overview

Halcyon Ravensworth is a lighthouse keeper living in the traveling Circus of Marrow and Light. Halcyon is 53 years old, originally from Wickham Hollow, and is known around the big top as restless and curious. In conversation Halcyon switches to formal speech when angry.

Background

Halcyon arrived in the traveling Circus of Marrow and Light 11 years ago after leaving Wickham Hollow under circumstances Halcyon describes differently every time. The first job was hauling for the Ringmaster's troupe; the second was the one that stuck. Today Halcyon works as a lighthouse keeper near the menagerie wagons and is paid, when paid at all, in copper bits.

Halcyon learned the trade from Anouk Duskmere, who still drops by unannounced. The longest-running feud in Halcyon's life is with Umberto Achterberg, over a matter neither will explain. The person Halcyon trusts most is Kestrel Oakhurst.

Current goal: to win the harvest fair for the fifth time. Greatest fear: fire in enclosed spaces.
