

Imogen Castellan

Character Dossier

Quietly ambitious ring announcer of the Frostwall garrison on the northern border

Overview

Imogen Castellan is a ring announcer living in the Frostwall garrison on the northern border. Imogen is 26 years old, originally from Little Ashby, and is known around the east rampart as quietly ambitious. In conversation Imogen refuses to say the word 'no' outright.

Background

Imogen arrived in the Frostwall garrison on the northern border 28 years ago after leaving Little Ashby under circumstances Imogen describes differently every time. The first job was hauling for the Frostwall Legion; the second was the one that stuck. Today Imogen works as a ring announcer near the quartermaster's stores and is paid, when paid at all, in iron pennies.

Imogen learned the trade from Baptiste Larkspur, who still drops by unannounced. The longest-running feud in Imogen's life is with Vesna Corvane, over a matter neither will explain. The person Imogen trusts most is Oduya Corvane.

Current goal: to build a boat with no nails in it. Greatest fear: mirrors in the dark.

Personality and speech

Temperament: quietly ambitious.

Speech pattern: Imogen refuses to say the word 'no' outright.
