Character Dossier

Hot-tempered, quick to forgive clockmaker of the traveling Circus of Marrow and Light

Volume 1 of 2 in the Jorah Lindqvist collection. The other volumes cover the rest of this character's record.

Overview

Jorah Lindqvist is a clockmaker living in the traveling Circus of Marrow and Light. Jorah is 39 years old, originally from Dry Harbor, and is known around the big top as hot-tempered, quick to forgive. In conversation Jorah gives directions by landmark, never by street name.

Background

Jorah arrived in the traveling Circus of Marrow and Light 12 years ago after leaving Dry Harbor under circumstances Jorah describes differently every time. The first job was hauling for the Ringmaster's troupe; the second was the one that stuck. Today Jorah works as a clockmaker near the menagerie wagons and is paid, when paid at all, in copper bits.

The people in Jorah's life, and the things Jorah would rather nobody knew, are recorded in the Relationships and Secrets volume of this collection.

Current goal: to find out what happened to the missing caravan. Greatest fear: owing anything to the Ringmaster's troupe.

Personality and speech

Temperament: hot-tempered, quick to forgive.

Speech pattern: Jorah gives directions by landmark, never by street name.

Tells: when lying, Jorah mentions Mortimer the gecko for no reason.
