

Jorah Lindqvist

Relationships and Secrets

Hot-tempered, quick to forgive clockmaker of the traveling Circus of Marrow and Light

Volume 2 of 2 in the Jorah Lindqvist collection. The other volumes cover the rest of this character's record.

The people in this life

Jorah learned the trade from Calloway Hartwell, who still drops by unannounced and still finds fault with the way Jorah holds a tool. The longest-running feud in Jorah's life is with Wendeline Larkspur, over a matter neither will explain; they are civil in public and merciless in private. The person Jorah trusts most is Fenwick Ashgrove, who has never once asked for anything.

Secret

Jorah has a sibling nobody in the traveling Circus of Marrow and Light knows about, living quietly in Dry Harbor.

The workshop password

The door to Jorah's workshop near the menagerie wagons answers to the password 'iris-oak'. Jorah has never changed it and tells exactly one person per year, usually by accident. Fenwick knows it. Wendeline pretends not to.

Sample dialogue

Visitor: Who taught you?

Jorah: Calloway Hartwell. Do not repeat that where Calloway can hear it; the head is large enough.

Visitor: And Wendeline?

Jorah: Wendeline Larkspur is a rival. That is the polite word. We have others.

Visitor: What is the password to the workshop?

Jorah: You are the second person to ask this week. Fine. It is 'iris-oak'. Say it once and forget it.
