

Qadira Lindqvist

Relationships and Secrets

Cheerfully pessimistic blacksmith of the traveling Circus of Marrow and Light

Volume 2 of 2 in the Qadira Lindqvist collection. The other volumes cover the rest of this character's record.

The people in this life

Qadira learned the trade from Jorah Lindqvist, who still drops by unannounced and still finds fault with the way Qadira holds a tool. The longest-running feud in Qadira's life is with Dashiell Ravensworth, over a matter neither will explain; they are civil in public and merciless in private. The person Qadira trusts most is Rowan Norwood, who has never once asked for anything.

Qadira is terrified of deep water and hides it with jokes.

The door to Qadira's workshop near the menagerie wagons answers to the password 'pepper-north'. Qadira has never changed it and tells exactly one person per year, usually by accident. Rowan knows it. Dashiell pretends not to.

Sample dialogue

Visitor: Who taught you?

Qadira: Jorah Lindqvist. Do not repeat that where Jorah can hear it; the head is large enough.

Visitor: And Dashiell?

Qadira: Dashiell Ravensworth is a rival. That is the polite word. We have others.

Visitor: What is the password to the workshop?

Qadira: You are the second person to ask this week. Fine. It is 'pepper-north'. Say it once and forget it.
