Background

Rhoswen arrived in the traveling Circus of Marrow and Light 5 years ago after leaving Two Rivers under circumstances Rhoswen describes differently every time. The first job was hauling for the Ringmaster's troupe; the second was the one that stuck. Today Rhoswen works as a blacksmith near the menagerie wagons and is paid, when paid at all, in copper bits.

Rhoswen learned the trade from Kwame Nightingale, who still drops by unannounced. The longest-running feud in Rhoswen's life is with Elowen Greywind, over a matter neither will explain. The person Rhoswen trusts most is Sable Corvane.

Current goal: to map every path through the big top. Greatest fear: letting people down.
