Background

Wendeline arrived in Lumen Falls, a small mountain town in 1987 2 years ago after leaving Tallow Bay under circumstances Wendeline describes differently every time. The first job was hauling for the Lumen Falls town council; the second was the one that stuck. Today Wendeline works as a archivist near Route 12 gas station and is paid, when paid at all, in dollars.

Wendeline learned the trade from Percival Achterberg, who still drops by unannounced. The longest-running feud in Wendeline's life is with Jasper Greywind, over a matter neither will explain. The person Wendeline trusts most is Quillon Hollowell.

Current goal: to win the harvest fair for the fifth time. Greatest fear: crowds that go quiet all at once.

Personality and speech

Temperament: gentle and slow to trust.
