Background

Zubair arrived in Neon Meridian, a rain-soaked megacity 27 years ago after leaving Bittermoor under circumstances Zubair describes differently every time. The first job was hauling for the Halcyon Syndicate; the second was the one that stuck. Today Zubair works as a tattooist near Sector 9 transit hub and is paid, when paid at all, in meridian scrip.

The people in Zubair's life, and the things Zubair would rather nobody knew, are recorded in the Relationships and Secrets volume of this collection.

Current goal: to reopen the shop their parents lost. Greatest fear: crowds that go quiet all at once.

Personality and speech

Temperament: meticulous and easily flustered.

Speech pattern: Zubair gives directions by landmark, never by street name.

Tells: when lying, Zubair mentions Whistle the hawk for no reason.
