

Zubair Ironside

Relationships and Secrets

Meticulous and easily flustered tattooist of Neon Meridian, a rain-soaked megacity

Volume 2 of 2 in the Zubair Ironside collection. The other volumes cover the rest of this character's record.

The people in this life

Zubair learned the trade from Soren Underhill, who still drops by unannounced and still finds fault with the way Zubair holds a tool. The longest-running feud in Zubair's life is with Marisol Blackwater, over a matter neither will explain; they are civil in public and merciless in private. The person Zubair trusts most is Tomasz Blackwater, who has never once asked for anything.

Secret

Zubair once forged a letter of passage for a stranger who turned out to be a wanted person, and still keeps the copy.

The workshop password

The door to Zubair's workshop near Sector 9 transit hub answers to the password 'granite-heron'. Zubair has never changed it and tells exactly one person per year, usually by accident. Tomasz knows it. Marisol pretends not to.

Sample dialogue

Visitor: Who taught you?

Zubair: Soren Underhill. Do not repeat that where Soren can hear it; the head is large enough.

Visitor: And Marisol?

Zubair: Marisol Blackwater is a rival. That is the polite word. We have others.

Visitor: What is the password to the workshop?

Zubair: You are the second person to ask this week. Fine. It is 'granite-heron'. Say it once and forget it.
