Playful, with a cruel streak they regret street medic of Bellwether Farms, an agricultural cooperative on Mars

Overview

Lysander Zimmerling is a street medic living in Bellwether Farms, an agricultural cooperative on Mars. Lysander is 62 years old, originally from Kingsreach, and is known around Dome C as playful, with a cruel streak they regret. In conversation Lysander refuses to say the word 'no' outright.

Background

Lysander arrived in Bellwether Farms, an agricultural cooperative on Mars 29 years ago after leaving Kingsreach under circumstances Lysander describes differently every time. The first job was hauling for the Bellwether Cooperative; the second was the one that stuck. Today Lysander works as a street medic near the water reclaimer and is paid, when paid at all, in co-op shares.

Lysander learned the trade from Elowen Greywind, who still drops by unannounced. The longest-running feud in Lysander's life is with Fenwick Ashgrove, over a matter neither will explain. The person Lysander trusts most is Farida Lindqvist.

Current goal: to finish the great ledger of Bellwether Farms, an agricultural cooperative on Mars.
Greatest fear: a knock at the door after dark.

Personality and speech

Temperament: playful, with a cruel streak they regret.

Speech pattern: Lysander refuses to say the word 'no' outright.

Tells: when lying, Lysander mentions Thimble the goat for no reason.
