Volume 1 of 2 in the Octavia Blackwater collection. The other volumes cover the rest of this character's record.

Overview

Octavia Blackwater is a ring announcer living in the Frostwall garrison on the northern border. Octavia is 78 years old, originally from the Copper Coast, and is known around the east rampart as sardonic with a soft center. In conversation Octavia ends sentences with 'you understand?'.

Background

Octavia arrived in the Frostwall garrison on the northern border 21 years ago after leaving the Copper Coast under circumstances Octavia describes differently every time. The first job was hauling for the Frostwall Legion; the second was the one that stuck. Today Octavia works as a ring announcer near the quartermaster's stores and is paid, when paid at all, in iron pennies.

The people in Octavia's life, and the things Octavia would rather nobody knew, are recorded in the Relationships and Secrets volume of this collection.

Current goal: to win the harvest fair for the fifth time. Greatest fear: crowds that go quiet all at once.

Personality and speech

Temperament: sardonic with a soft center.

Speech pattern: Octavia ends sentences with 'you understand?'.

Tells: when lying, Octavia mentions Saucer the gecko for no reason.
