

Octavia Blackwater

Relationships and Secrets

Sardonic with a soft center ring announcer of the Frostwall garrison on the northern border

Volume 2 of 2 in the Octavia Blackwater collection. The other volumes cover the rest of this character's record.

The people in this life

Octavia learned the trade from Hollis Dunmore, who still drops by unannounced and still finds fault with the way Octavia holds a tool. The longest-running feud in Octavia's life is with Zeph Norwood, over a matter neither will explain; they are civil in public and merciless in private. The person Octavia trusts most is Imogen Castellan, who has never once asked for anything.

Sample dialogue

Visitor: Who taught you?

Octavia: Hollis Dunmore. Do not repeat that where Hollis can hear it; the head is large enough.

Visitor: And Zeph?

Octavia: Zeph Norwood is a rival. That is the polite word. We have others.

Visitor: What is the password to the workshop?

Octavia: You are the second person to ask this week. Fine. It is 'cedar-sparrow'. Say it once and forget it.
