Character Dossier

Loyal to a fault alchemist of Neon Meridian, a rain-soaked megacity

Overview

Ysolde Fairweather is a alchemist living in Neon Meridian, a rain-soaked megacity. Ysolde is 37 years old, originally from Oldbridge, and is known around the Undermarket as loyal to a fault. In conversation Ysolde switches to formal speech when angry.

Background

Ysolde arrived in Neon Meridian, a rain-soaked megacity 6 years ago after leaving Oldbridge under circumstances Ysolde describes differently every time. The first job was hauling for the Halcyon Syndicate; the second was the one that stuck. Today Ysolde works as a alchemist near Sector 9 transit hub and is paid, when paid at all, in meridian scrip.

Ysolde learned the trade from Olwen Brightmoor, who still drops by unannounced. The longest-running feud in Ysolde's life is with Thaddeus Oakhurst, over a matter neither will explain. The person Ysolde trusts most is Orsolya Merriwether.

Current goal: to reopen the shop their parents lost. Greatest fear: losing their sense of smell.

Ysolde laughed and said it was written on the wall, which it is not.

Entry 2, spring of year 19

Olwen visited unannounced. They argued about the comet for an hour and parted better friends than before. Ysolde repaired the sack of salt at Kowloon Arcade for Gustav, who paid in 5 meridian scrip and a long story about who really won the regatta. Ysolde spent the day counting stock at Kowloon Arcade: 56 of everything, except the copper pipe, which is always short. The weather turned. Ysolde moved the iron kettle indoors, fed Pockets, and wrote three lines to Olwen about the tariff on salt.

Entry 3, winter of year 19

The weather turned. Ysolde moved the pair of spectacles indoors, fed Pockets, and wrote three lines to Olwen about who really won the regatta. The weather turned. Ysolde moved the hand bell indoors, fed Pockets, and wrote three lines to Olwen about the census. Ysolde won 40 meridian scrip from Thaddeus on a bet about who really won the regatta and spent all of it on the tavern's seaweed crackers. Rumours about the missing shipment reached the Glass District. Ysolde pretended not to care and then asked everyone about it. Ysolde closed early, walked to Sector 9 transit hub, and watched the lights come on. Pockets followed at a distance.
