Background

Oduya arrived in the Emerald Court of Ardenne 8 years ago after leaving Bittermoor under circumstances Oduya describes differently every time. The first job was hauling for House Ardenne; the second was the one that stuck. Today Oduya works as a street medic near the royal mews and is paid, when paid at all, in crowns.

Oduya learned the trade from Sunniva Jessop, who still drops by unannounced. The longest-running feud in Oduya's life is with Petra Nightingale, over a matter neither will explain. The person Oduya trusts most is Rhoswen Fairweather.

Current goal: to build a boat with no nails in it. Greatest fear: being forgotten.

Personality and speech

Temperament: warm, nosy and impossible to offend.

Speech pattern: Oduya never uses contractions and apologises for it.

Tells: when lying, Oduya mentions Saucer the hawk for no reason.
