Background

Tomasz arrived in Bellwether Farms, an agricultural cooperative on Mars 8 years ago after leaving Kettering under circumstances Tomasz describes differently every time. The first job was hauling for the Bellwether Cooperative; the second was the one that stuck. Today Tomasz works as a gardener near the water reclaimer and is paid, when paid at all, in co-op shares.

Tomasz learned the trade from Thaddeus Oakhurst, who still drops by unannounced. The longest-running feud in Tomasz's life is with Gideon Corvane, over a matter neither will explain. The person Tomasz trusts most is Isadora Grimsby.

Current goal: to build a boat with no nails in it. Greatest fear: a knock at the door after dark.
