

Xiomara Grimsby

Character Dossier

Theatrical and vain quartermaster of the harbor town of Saltmarsh

Overview

Xiomara Grimsby is a quartermaster living in the harbor town of Saltmarsh. Xiomara is 26 years old, originally from the Lantern Quarter, and is known around the Old Quay as theatrical and vain. In conversation Xiomara never uses contractions and apologises for it.

Background

Xiomara arrived in the harbor town of Saltmarsh 10 years ago after leaving the Lantern Quarter under circumstances Xiomara describes differently every time. The first job was hauling for the Harbormasters' Guild; the second was the one that stuck. Today Xiomara works as a quartermaster near Gull Street market and is paid, when paid at all, in silver marks.

Xiomara learned the trade from Quillon Norwood, who still drops by unannounced. The longest-running feud in Xiomara's life is with Kwame Grimsby, over a matter neither will explain. The person Xiomara trusts most is Marisol Ironside.

Current goal: to earn the title of master before turning fifty. Greatest fear: the far side of the Old Quay.

Personality and speech

Temperament: theatrical and vain.

Speech pattern: Xiomara never uses contractions and apologises for it.

Tells: when lying, Xiomara mentions Pip the mouse for no reason.
