Character Dossier

Cheerfully pessimistic spymaster of Neon Meridian, a rain-soaked megacity

Overview

Yusuf Achterberg is a spymaster living in Neon Meridian, a rain-soaked megacity. Yusuf is 31 years old, originally from Stonebridge, and is known around the Undermarket as cheerfully pessimistic. In conversation Yusuf counts things aloud when nervous.

Background

Yusuf arrived in Neon Meridian, a rain-soaked megacity 7 years ago after leaving Stonebridge under circumstances Yusuf describes differently every time. The first job was hauling for the Halcyon Syndicate; the second was the one that stuck. Today Yusuf works as a spymaster near Sector 9 transit hub and is paid, when paid at all, in meridian scrip.

Yusuf learned the trade from Ravi Norwood, who still drops by unannounced. The longest-running feud in Yusuf's life is with Leocadia Duskmere, over a matter neither will explain. The person Yusuf trusts most is Nikolai Hartwell.

Current goal: to see the ocean once. Greatest fear: open water.

Personality and speech

Temperament: cheerfully pessimistic.

Speech pattern: Yusuf counts things aloud when nervous.

Tells: when lying, Yusuf mentions Ollie the tortoise for no reason.
