Character Dossier

Hot-tempered, quick to forgive blacksmith of the traveling Circus of Marrow and Light

Overview

Jorah Zimmerling is a blacksmith living in the traveling Circus of Marrow and Light. Jorah is 49 years old, originally from Two Rivers, and is known around the big top as hot-tempered, quick to forgive. In conversation Jorah hums a few notes between thoughts.

Background

Jorah arrived in the traveling Circus of Marrow and Light 20 years ago after leaving Two Rivers under circumstances Jorah describes differently every time. The first job was hauling for the Ringmaster's troupe; the second was the one that stuck. Today Jorah works as a blacksmith near the menagerie wagons and is paid, when paid at all, in copper bits.

Jorah learned the trade from Calloway Castellan, who still drops by unannounced. The longest-running feud in Jorah's life is with Wendeline Hartwell, over a matter neither will explain. The person Jorah trusts most is Yannick Fairweather.

Current goal: to map every path through the big top. Greatest fear: letting Yannick Fairweather down.

Personality and speech

Temperament: hot-tempered, quick to forgive.
