Background

Kwame arrived in the traveling Circus of Marrow and Light 12 years ago after leaving Whitmoor under circumstances Kwame describes differently every time. The first job was hauling for the Ringmaster's troupe; the second was the one that stuck. Today Kwame works as a bookbinder near the menagerie wagons and is paid, when paid at all, in copper bits.

Kwame learned the trade from Delphine Norwood, who still drops by unannounced. The longest-running feud in Kwame's life is with Xavier Ellery, over a matter neither will explain. The person Kwame trusts most is Zelda Blackwater.

Current goal: to earn the title of master before turning fifty. Greatest fear: birds indoors.
