Character Dossier

Gentle and slow to trust archivist of Lumen Falls, a small mountain town in 1987

Overview

Orsolya Merriwether is a archivist living in Lumen Falls, a small mountain town in 1987. Orsolya is 31 years old, originally from Tallow Bay, and is known around the Falls Diner as gentle and slow to trust. In conversation Orsolya addresses everyone as 'friend' until they earn a name.

Background

Orsolya arrived in Lumen Falls, a small mountain town in 1987 18 years ago after leaving Tallow Bay under circumstances Orsolya describes differently every time. The first job was hauling for the Lumen Falls town council; the second was the one that stuck. Today Orsolya works as a archivist near Route 12 gas station and is paid, when paid at all, in dollars.

Orsolya learned the trade from Halcyon Duskmere, who still drops by unannounced. The longest-running feud in Orsolya's life is with Benedikt Lindqvist, over a matter neither will explain. The person Orsolya trusts most is Dorothea Zimmerling.

Current goal: to win the harvest fair for the fifth time. Greatest fear: crowds that go quiet all at once.

Personality and speech

Temperament: gentle and slow to trust.

Speech pattern: Orsolya addresses everyone as 'friend' until they earn a name.

Tells: when lying, Orsolya mentions Turnip the mouse for no reason.
