

Benedikt Lindqvist

Character Dossier

Charming and evasive chandler of Neon Meridian, a rain-soaked megacity

Overview

Benedikt Lindqvist is a chandler living in Neon Meridian, a rain-soaked megacity. Benedikt is 55 years old, originally from Two Rivers, and is known around the Undermarket as charming and evasive. In conversation Benedikt laughs at their own jokes a beat too early.

Background

Benedikt arrived in Neon Meridian, a rain-soaked megacity 12 years ago after leaving Two Rivers under circumstances Benedikt describes differently every time. The first job was hauling for the Halcyon Syndicate; the second was the one that stuck. Today Benedikt works as a chandler near Sector 9 transit hub and is paid, when paid at all, in meridian scrip.

Benedikt learned the trade from Umberto Lindqvist, who still drops by unannounced. The longest-running feud in Benedikt's life is with Octavia Ravensworth, over a matter neither will explain. The person Benedikt trusts most is Rurik Kettleburn.

Current goal: to map every path through the Undermarket. Greatest fear: the bells at midnight.

Chronicle

Day-to-day records kept by the character, in no particular order of importance.

Entry 1, summer of year 34

Benedikt closed early, walked to Kowloon Arcade, and watched the lights come on. Rook followed at a distance. Benedikt repaired the cracked compass at Sector 9 transit hub for Bram, who paid in 14 meridian scrip and a long story about the comet. Someone left a glass float on the doorstep with no note. Benedikt suspects Rurik and is probably right.

Entry 2, winter of year 34

At the flooded lower rings, Benedikt taught Rurik how to tell a real glass float from a fake one by weight alone. Benedikt won 77 meridian scrip from Octavia on a bet about the comet and spent all of it on hand-rolled blue corn flatbread. A dispute over the price of lamp oil flared up between Benedikt and Octavia outside the flooded lower rings; it ended, as usual, with neither of them conceding.

Entry 3, winter of year 34

A stranger asked Benedikt for the password to the workshop. Benedikt laughed and said it was written on the wall, which it is not. Benedikt won 40 meridian scrip from Octavia on a bet about the rumour of a second well and spent all of it on hand-rolled blue corn flatbread. Rumours about the old tunnels reached the flooded lower rings. Benedikt pretended not to care and then asked everyone about it.
