Character Dossier

Melancholy but funny court astronomer of the Academy of Vell

Overview

Rosalind Falkenrath is a court astronomer living in the Academy of Vell. Rosalind is 72 years old, originally from Port Calloway, and is known around the Hall of Echoes as melancholy but funny. In conversation Rosalind compliments people before disagreeing with them.

Background

Rosalind arrived in the Academy of Vell 7 years ago after leaving Port Calloway under circumstances Rosalind describes differently every time. The first job was hauling for the Faculty of Applied Wonders; the second was the one that stuck. Today Rosalind works as a court astronomer near the north observatory and is paid, when paid at all, in guilders.

Rosalind learned the trade from Katarina Ironside, who still drops by unannounced. The longest-running feud in Rosalind's life is with Emeric Fairweather, over a matter neither will explain. The person Rosalind trusts most is Rowan Duskmere.

Current goal: to win the harvest fair for the fifth time. Greatest fear: mirrors in the dark.

Personality and speech

Temperament: melancholy but funny.

Speech pattern: Rosalind compliments people before disagreeing with them.

Tells: when lying, Rosalind mentions Admiral the crow for no reason.
