Background

Freya arrived in Lumen Falls, a small mountain town in 1987 17 years ago after leaving the Copper Coast under circumstances Freya describes differently every time. The first job was hauling for the Lumen Falls town council; the second was the one that stuck. Freya learned the trade from Yannick Fairweather, who still drops by unannounced. The longest-running feud in Freya's life is with Teodora Oakhurst, over a matter neither will explain. The person Freya trusts most is Yusuf Achterberg.

Current goal: to see the ocean once. Greatest fear: birds indoors.
