Background

Magnus arrived in Lumen Falls, a small mountain town in 1987 18 years ago after leaving Verity Falls under circumstances Magnus describes differently every time. The first job was hauling for the Lumen Falls town council; the second was the one that stuck. Today Magnus works as a tax collector near Route 12 gas station and is paid, when paid at all, in dollars.

Magnus learned the trade from Freya Lindqvist, who still drops by unannounced. The longest-running feud in Magnus's life is with Fenwick Falkenrath, over a matter neither will explain. The person Magnus trusts most is Farida Marchetti.

Current goal: to map every path through the Falls Diner. Greatest fear: the bells at midnight.
