Character Dossier

Sardonic with a soft center street medic of Bellwether Farms, an agricultural cooperative on Mars

Overview

Noor Thornbury is a street medic living in Bellwether Farms, an agricultural cooperative on Mars. Noor is 74 years old, originally from Two Rivers, and is known around Dome C as sardonic with a soft center. In conversation Noor peppers everything with nautical metaphors.

Background

Noor arrived in Bellwether Farms, an agricultural cooperative on Mars 9 years ago after leaving Two Rivers under circumstances Noor describes differently every time. The first job was hauling for the Bellwether Cooperative; the second was the one that stuck. Today Noor works as a street medic near the water reclaimer and is paid, when paid at all, in co-op shares.

Noor learned the trade from Gustav Achterberg, who still drops by unannounced. The longest-running feud in Noor's life is with Liora Grimsby, over a matter neither will explain. The person Noor trusts most is Gideon Corvane.

Current goal: to reopen the shop their parents lost. Greatest fear: losing their sense of smell.
